DISPATCH NO. [REDACTED]

VIA AIR

CONFIDENTIAL

SEP 10 1956

25X1A6a

TO : Chief, [REDACTED]

25X1A2d1

FROM : Chief, [REDACTED]

INFO: Chief, FE Support Base, [REDACTED]

25X1A6a

SUBJECT: GENERAL - Delegation of Authority

SPEC. - Disposal of Excess Automotive and Marine Spare Parts and Accessories and Minor Engines

25X1A6c

REF : (a) [REDACTED] dated 1 June 1956
(b) [REDACTED] dated 24 January 1956
(c) [REDACTED] dated 31 January 1955

ACTION REQUIRED: Disposal of excess materiel in the field.

1. Delegation of authority, set forth in reference (b), is extended to include disposal of excess automotive and marine spare parts and accessories and minor engines. Paragraph 3 of reference (b) is rescinded and the following is applicable in lieu thereof:

a. DISPOSAL OF EXCESS PROPERTY

25X1A6a

Authority is granted to the Chief of [REDACTED] to make necessary technical determination and authorize disposal of excess materiel within the [REDACTED] area.

25X1A6a

(1) Materiel Groups I, V and VI are specifically excluded from this delegation.

(2) Materiel Group II, other than Automotive and Marine Spare Parts and Accessories and Minor Engines is excluded.

(a) Minor engines shall be considered, gasoline or diesel, not exceeding four cylinders, having 12 or less SAE rated (taxable) horsepower as differentiated between INDICATED and BRAKE horsepower.

(b) Engines removed from parent equipment, without replacement, which would render the unit inoperative are excluded.

(3) All items of materiel within the technical cognizance of KUCIUB and KURIOT regardless of materiel groupings are specifically excluded.
